WINEMAKING PROCESS

Concrete tank (100%)

Maceration : 21 days

AGEING

Oak Barrels- Old (60% - 18 month) Concrete tank (40% - 12 month)

TASTING NOTES

Deep garnet-red color with violet tints. Intense notes of cocoa and cherry aromas dominate the wine. This wine is layered with nuances of vanilla, white pepper, and fresh berry. On the palate, the wine is full and robust with silky tannins.

Plum and black cherry combine with warm spices to create a remarkable finish to this rich and multifaceted wine. Ever-present cocoa notes, with a mineral touch, mingle with mint aromas to give a great freshness to this wine. Its delicate complexity and lusciousness is balanced by a fruity roundness. A very ample wine with an aromatic strength for the second vintage of this micro-cuvée.
